

RATE SHEET Spring 2014

The following prices are for digital photography services. Prices include a guarantee of 100% photographic coverage of the event and delivery to the client high-resolution, professionally edited digital files and a print release for all images. Other products – prints, canvases, etc can be ordered through the Performing Arts Photography website (www.performingartsphotos.com). With the included print release, clients are also able to order products of their choosing from the vendor of their choice.

THEATRICAL PRODUCTIONS – up to 3 hours **\$350.00**
- The photographer prefers to shoot the dress/technical rehearsals for theatrical productions. This allows for considerably more and better images of the production. This price also includes the option to setup and pose certain important scenes after the rehearsal with alternate casts.

CONCERTS

Full Concerts – up to 3 hours **\$350.00**
- This includes full coverage of the concert including posed shots with soloists and/or guest performers directly after the concert.

Half Concerts – up to 1.5 hours **\$150.00**
- This includes full coverage of the first half of a concert, up to 1.5 hours.

NOTE: Performing Arts Photography has the experience and equipment to cover live concerts without disturbing the audience experience in any way.

OTHER EVENTS – Performing Arts Photography can cover any type of event. Please contact us for custom pricing
